This mistake was caused by a campaign staff filing error. Credit card contributions from the contributors above were processed twice. The problem was proactively identified by campaign staff. Contributors were notified of the mistake within two days of discovery, on 11/3/2014 or immediately following by mail. Refunds were processed on 11/5/2014. Campaign filing processes have been updated to include date stamping processing dates on incoming credit card contributions to prevent future mistakes from occurring.
